

Mail Champlain

Live.
Work.

Shop.

Anchored by first-rate retailers, the Mail Champlain, has everything to meet the needs of today's consumers under one roof. A new experience combining a series of food and entertainment concepts has been launched with the arrival of several major retailers including Mayrand Food Depot, Ange Bakery and Clip n' Climb.

Highlights

Mail Champlain is strategically located near the busiest bridge in the country, at the intersection of Highway 10 and Route 134. It is within walking distance of one of only three stops on Montreal's South Shore for the future Réseau express métropolitain (REM).

Mail Champlain is placed in Canada's first quartile in terms of population density within a 10-km radius.

Property density: Cominar is currently reviewing intensification opportunities in the area previously occupied by Sears, to incorporate 1,100 condo units.
